

Dear colleagues,

I sincerely invite you to participate at the 12th International Symposium on Measurement Technology and Intelligent Instruments (**ISMTII 2015**) that will be held in Taipei, Taiwan, from **22nd to 25th September 2015**. Over the last 20+ years, the ISMTII has established itself as a well renowned and prestigious event for international measurement experts. With more than 300 participants expected from research institutes, universities and industrial sectors, the 12th ISMTII 2015 will focus on presenting scientific and engineering breakthroughs to develop the cutting edge in modern measurement technologies and intelligent instruments. The Symposium offers the precious opportunity for experts and students to discuss the state-of-the-art in a diverse range of measurement fields. The exhibition and industrial forum are held to demonstrate the latest measurement technologies and instruments around the world.

For further information about the Conference, please see the attached the **1st Call for Papers** or visit the Conference website at <http://ISMTII2015.ntut.edu.tw> . The abstract submission deadline is by **the 31st of January, 2015**.

We look forward to seeing you in Taipei in September 2015.

Additionally, we would be grateful if you could forward this e-mail to anyone who may be interested in participating at the Conference.

A handwritten signature in black ink, appearing to read 'Liang-Chia Chen', is positioned above the printed name.

Prof. Liang-Chia Chen
Conference Chair, ISMTII 2015

Professor, Department of Mechanical Engineering
National Taiwan University
